

Obituary.

Timothy Patrick Fitzmaurice was born on the old Fitzmaurice homestead, north of Forest City, September 7, 1866, and died February 11, 1926, at his country stock farm near Forest City. He was 59 years, 5 months and 4 days of age.

There is much to be said for the fact that he died.

T. P. Fitzmaurice and Miss Susan B. Bower were joined in marriage June 4, 1890. To this union were born three children, from the daughter preceded him to God's Kingdom. The daughter, Miss Margaret, is a teacher in Northwestern University, Evanston, Illinois. The son, T. Bower, is a student in the Forest City high school.

Mr. Fitzmaurice went to the West when quite young, and through industry and frugality built up a comfortable home. He never lost touch with his family, and he was a devoted and ideal father. As a husband, he was a devoted and ideal father. As a father, he was a devoted and ideal father. As a father, he was a devoted and ideal father.

For many years he was a successful stockman. His life was spent in the West, and he was a devoted and ideal father. As a father, he was a devoted and ideal father. As a father, he was a devoted and ideal father.

Life is a leaf of paper white. When each one of us may write His line of life, and then comes night.

Greatly begin, though there may be time. But for a line, he that scribbles. Not failure, but low aim is crime.

We feel that this expresses the true life of our departed brother.

Our entire community was shocked to learn of the tragic death which came to Mr. Fitzmaurice. While in the city, the this world of forest (age lowered), and it is supposed that before Mr. Fitzmaurice realized the danger, he was taken beneath several feet of snow. When assistance arrived, it was found that life had long been extinct.

The impressive funeral services were conducted by Rev. Will Thornton Walker, pastor of the Presbyterian church of Oregon. It was an elegant discourse, and especially comforting to the bereaved ones. The Forest City quartette sang in softly, and tenderly the hymns our brother loved. Mr. Walker sang beautifully the sacred solo, "Face to Face."

The many floral offerings were beautiful and fragrant, and spoke louder than words the high estimation in which the departed one was held in this entire community.

Into the moist earth we lowered the loved remains of our father, husband, friend and neighbor to rest until the

last trumpet call.

"To my good night, dear Daddy. We will meet by and by."

He was laid to rest in Maple Grove cemetery, this city. The funeral services were held at the farm home, about three miles west of Oregon and two miles northwest of Forest City. A great multitude of friends, neighbors and sympathizers gathered there to pay their last tribute to one who will live long in their hearts as a brother and a friend.

Our Dead Tt.441.

Completion of the record of casualties of the American Expeditionary Forces in the World War has been recently announced by the War Department, with the issuance of a final revised list.

A remarkable feature of the final compilation is that only three are reported "missing in action," not including prisoners released and returned. The record of the war department shows:

Killed in action including 542 at sea	34,844
Dead of wounds	13,960
Dead of disease	21,738
Dead from accident and other causes	5,102
Wounded in action more than 45 per cent returning to duty	215,425
Missing in action (not including prisoners released and returned)	5
Total	230,079

Reported Better.

Mrs. Alberta Green-Murphy, our county superintendent of schools, was taken very ill the first of the week. This accounts for the fact that there are no county school notes this week. Mrs. Murphy had intended going to Cedar Falls, Iowa, Feb. 17th, where she had been honored with a place on the program of the National Conference of Consolidated Schools.

A history of the Consolidated Schools of Holt county, together with some pictures illustrating the work of these schools, has been sent to Mr. McBrown, National Director of Rural School Extension.

At our hour of going to press, we are glad to announce that Mrs. Murphy is now considered out of danger.

Kindly Words.

Mrs. Nancy B. Kennedy, who is now residing at Sandpoint, Idaho, writes us of her loved one, Oregon, from 1883 to 1885, and can well remember when the Sentinel was first published, and have been a regular reader of its contents ever since that time, and I certainly enjoy its weekly visits very much.

Will Mrs. K. please send us a little sketch of herself?

Young Bulls For Sale.

Red Polled Stock, all pedigreed and registered.

C. A. ZACHMAN,
Oregon, Mo.

Here's To You Both.

The Sentinel takes especial pride in being able to announce that Mrs. Harriet Minton-Shepard and Robert A. Brown, both of Fortescue, have united their fortunes for what we hope may be a long, sweet journey together, having been united in marriage in St. Joseph, Mo. St. Valentine's Day, Feb. 14, at the parsonage of Rev. O. B. Lawrence, the ring service being used.

The bride is the daughter of Mr. J. L. Minton, one of Holt's most prominent citizens, and is splendidly equipped for those relations that come to her by reason of the marriage vow. That she will fill her duties well, that her "husband" will be happy all the time.

The groom is one of the most popular of our bachelors, and it looked as if he was doomed to be the remainder of his journey here below, but his legion of friends throughout Holt county will be glad to know of his ultimate capture. He is the son of Mr. and Mrs. I. B. Brown, of Benton township, and a finer family of people is not met anywhere.

We congratulate you both, and hope you may ever be as happy as you were on your wedding day.

It Is Milligan.

Complete unofficial returns from Saturday's election in the Third Congressional district, gave Capt. J. L. Milligan, Democrat, a majority of 1,592 votes over John E. Frost, Republican.

The outcome shows little beyond the fact that Democrats and Republicans voted along party lines. The Democratic counties gave Democratic majorities, and the Republican counties gave Republican majorities. In consequence the League issue was not fought, and the campaign because one of Democrats and Republicans in a strongly Democratic district.

Out of Quarantine.

The family of Geo. R. Murray, whose residence has been under quarantine the past 24 days, are all, we are glad to report, now out and in usual health again. Mrs. Murray had the flu, while Francis and the three little girls were having scarlet fever.

After such entertainment they will certainly appreciate the blessings of freedom and health—rainbow the red flag will wave.

—The finest Carnations to be found anywhere, and other Superior Flowers at the Mound City Green House.

—Gus Hicks has rented the Kate Green property, and J. S. Henninger has moved the Payne property, on North Washington street.

—If you want to sell your farm come in and list it with us. We sell them.

BRIDGEMAN & FRYE.

We are truly sorry that the anatomy of President Judge Fred Lawrence has gotten in such bad order that he has been obliged to go to the Rochester, Minn., hospital for repairs. He will be back home in the course of a couple of weeks.

MICHAELS-STERN
VALUE-FIRST
CLOTHES

Some Blue Afternoon

when you feel "all wrong," come call on us, and we'll cheer you up all right.

You say, "the world is going to the dogs". Here, try on this new double-breasted model, and watch the evil spirits steal out the back door--perhaps you have been smoking too much.

No matter, what the cause, we have the cure.

So the next time, the bank calls you up, or the wife, calls you down, just remember that we have a model to change your mood—that it will only take 10 minutes, and it won't cost you one cent for the service, unless you want to carry around your own sunshine AND BUY THE SUIT.

Obituary—Mrs. Daniel Hoover.

Ellen E. Winetrot was born in Mexico, Ohio, June 25, 1850. When a small girl she moved to Gallon, Ohio, where she grew to womanhood. On March 16, 1875, she was united in marriage to Daniel Hoover. In 1883 the family moved to Holt county, where she has since resided. She was the mother of five sons—Samuel E., of Moberly, Mo.; Wm. O., of Horton, Kansas; B. Medway, Richard B. and Chas. W., of Forest City, Mo.

After a severe illness of some weeks duration she quietly and peacefully "fell on sleep" Monday morning, Feb. 9, 1926, having reached the age of 69 years, 7 months and 14 days, leaving the aged husband, five sons, 15 grandchildren and 3 great-grandchildren to mourn her departure.

At the age of 11 years she became a member of the United Brethren church, of which she remained a faithful member until 1898, when she united with the Methodist church, of Forest City. She was a loving wife, a kind and indulgent mother, and a neighbor and friend, having the respect and confidence of all with whom she came in contact.

The funeral services were held in the Methodist church, Tuesday afternoon, Feb. 10, conducted by the pastor, Rev. C. J. Chappell, after which the body was tenderly laid to rest in the Forest City cemetery, there to await the Resurrection morn.

Card of Thanks.

We desire to express our sincere thanks to the many friends and neighbors for their assistance and expressions of friendship and sympathy during the illness and death of our beloved wife and mother, and to the pastor and choir of the Methodist church for comfort; also for the many beautiful floral emblems received.

DANIEL HOOVER AND SONS.

Visits Bigelow and Fortescue Schools. It was the pleasure of the Home Demonstration Agent to visit the Bigelow school last Friday, in the interests of the Boys' and Girls' Club Work of Holt County.

Two clubs for Garment Making were organized, with a membership of twelve each, one for the grade girls, and the other for the high school girls. The high school girls hope by doing double work to finish the course by the time school closes. With Miss Smith for their leader, it is predicted that this club will be strong in their competition for some of the prizes offered.

The grade pupils will make a beginning with Miss Abshire as their leader until they find a mother or some public spirited woman who will lead the girls in their lessons through the summer months. It is believed that the high school girls will have to be veritable Dorcas in the use of the thimble or some of the prizes will fall to another department in the school.

We were invited to eat lunch with the school in their hot lunch room. We were served with cream of tomato soup, scrambled eggs on crackers and a fruit salad. The menu was a little more than usual on account of company. The children paid 5c per dish, and they could have just one or all as they wished to pay. I have many times at restaurants paid as high as 50c for no more than that—the only difference being napkins, toothpicks, etc. Miss England can give a startling testimony regarding what the hot lunch has done for her school along the lines of better grades, more studious pupils, less sickness, better morals, and a few specific cases in which the whole character of the pupil has been changed for the better. It is too bad that every school in the county can not have a hot lunch club, when just a little care and management will do so much for the boys and girls.

After lunch we went to Fortescue to introduce the subject of club work to the boys and girls in this community. Great enthusiasm was shown by the grade boys and girls. The boys said they wanted a Pig Club. When they were informed that they would have to see Mr. Swanner about that, they immediately asked, "When is he coming?" I told them if he did not come soon, they could go after him.

A storm of enthusiastic hands went up when it was asked of the girls, "How many would sign up for a Garment Makers' Club?" The field is ripe for a fine girls' sewing club in this community, but it is first necessary to procure a leader for the classes and if some good woman in this community does not volunteer to lead these girls through the summer, an opportunity for influence of untold good upon the lives of the girls will have been lost forever.

A local leader does not need to be especially experienced or equipped for the work, for full and complete instructions are given the leader with the lessons, and the Home Demonstration Agent will give training and instructions to local leaders.

M. MAY LONG,
Home Demonstration Agent.

INFLUENZA starts with a Cold

Kill the Cold. At the first sneeze take

HILL'S CASCARA QUININE BROMIDE

Standard cold remedy for 26 years

—a tablet form—safe, sure, no opiates—breaks up a cold in 24 hours—relieves grip in 3 days. Money back if it fails. The genuine box has a Red top with Mr. Hill's picture.

At All Drug Stores

—C. N. Willis, who several years ago was the head of the Willis-Lucas Lumber Company of Craig, died at his home in St. Joseph, Monday of last week, Feb. 9, at the age of 74. He is survived by his wife, three sons and two daughters; his son, C. L., resides in Craig. During the Civil strife he served in the Confederate army.

—William Narans, of the motor transport corps of the regular army, stationed at Jefferson Barracks, was here on a few days' leave of absence to attend the funeral of his grandfather, Wm. Turnham.

—Geo. E. Gelvin, of Maitland, was in town, Friday of last week, shaking hands with everybody. He and his family have kept pace with everybody by entertaining the flu at their house. Their baby boy was a very sick child with it, but they are now all up, and George is keeping the home fires burning.

—James Guthrie, of Mound City, who has been so very sick with rheumatism, is reported much better.

—If you want to buy a farm see us. We have a good list of them for sale. BRIDGEMAN & FRYE.
